

Because you can be charged for a holiday you cancel.

Every year thousands of UK holidays are cancelled because someone falls ill or has an accident.

Your booking is a legally binding contract, which means if you cancel your holiday you may lose your deposit and could be faced with paying the whole balance. We strongly recommend you insure now to cover your bill.

With Guest First you can relax knowing that if you cannot go on holiday, even at the last minute, you won't have to pay for your accommodation, you won't have to pay a policy excess and will even get your deposit back. With Guest First we can also refund any travelling expenses you paid for in advance.

Why take the risk when you can protect your entire holiday from as little as £8.00 per booking? Complete the application form below, call **01404 41234** or apply online at www.guestfirst.co.uk

Medical conditions. Please read carefully...

Your holiday insurance will not cover claims arising from any pre-existing medical conditions unless we have agreed to insure you and provided written confirmation. You must therefore call the Healthline on 01404 41234 if you answer yes to any of the following questions:

1. Are you or any members of your party taking prescribed medication or seeing a doctor regularly about any medical conditions?
2. Are you or any members of your party concerned about the health of any close relatives upon whom your holiday plans depend that could give rise to a claim for cancellation or curtailment?
3. Are you or any members of your party or any close relatives not travelling currently suffering from a medical condition that has required treatment as a hospital in-patient during the last 12 months?

Under no circumstances will any members of your party be covered if they are travelling against the advice of a medical practitioner or for claims arising from medical conditions for which the person concerned, including close relatives not travelling, are on a hospital waiting list for in-patient treatment and/or have received a terminal prognosis. This insurance does not cover claims arising from anxiety, stress or depression. **Please call the Healthline on 01404 41234 if you are in any doubt about what to declare and whether you can be insured.**

Important. What else you should know...

The cancellation cover commences from the date your premium is received and your Certificate is issued. The remaining covers apply for the period of the holiday but in any event not exceeding the period of cover for which your premium has been paid. Your Certificate of Insurance will cover everyone in your party for whom the premium has been paid.

This is only a summary of the insurance. Your Certificate of Insurance will have full details of the policy terms, conditions and exclusions, together with the complaints procedure and 14-day money back guarantee. A copy is available from Rothwell & Towler on request.

This insurance is arranged by Rothwell & Towler who are authorised and regulated by the Financial Services Authority.
