*Important.*

*What else you should know...*

Cover begins from the date your policy is issued. The remaining covers apply for the period of the holiday but will not exceed the period of cover for which your premium has been paid. Your Certificate of Insurance will cover everyone in your party for whom the premium has been paid.

This is only a summary of the insurance. Your Certificate of Insurance will have full details of the policy terms, conditions and exclusions, together with the complaints procedure and 14-day money back guarantee. A copy is available on request.

**The small print. What isn't covered**

Guest First does not cover claims arising from any medical conditions (including long standing conditions) for which you have had treatment in the last 12 months, or pre-existing injuries and conditions which will be made worse by travelling. The same is the case for holidays that have been booked against the advice of a doctor. In addition, the policy does not cover psychological or psychiatric disorders, insanity, anxiety, stress or depression.

**If you require cover for pre-existing medical conditions then call us on 0845 90 80 101 for details of other policies which may be suitable.**

## Don't travel without insurance – cancellations can be costly

Preparing for a holiday is exciting. But don't forget to pack your insurance! It'll help to protect against the unexpected. Should you fall ill, someone in your party has an accident, your home gets flooded or you get called for jury service you may have to cancel. And that can be costly — because your booking is a legally binding contract. You may lose your deposit and could even be forced to pay the whole balance if you are unable to travel.

## Don't take the risk – your booking is a contract

With Guest First Holiday Insurance any UK resident up to age 100 can protect their UK holiday from as little as £14.00 per booking. This means you can relax, safe in the knowledge that your booking will be protected and your holiday covered if the unexpected happens. If you are unable to go we'll honour your contract and settle the outstanding bill with the hotel or holiday company. And we'll refund any travel expenses you paid in advance. Even your deposit will be covered in full.

## Don't forget – book your complete UK holiday cover now

Guest First Holiday Insurance will cover you should you cancel or cut short your holiday due to death, injury, illness or redundancy, summons for jury service or as a court witness or if your home becomes uninhabitable.

Guest First provides cover if you or any members of your party are unable to travel due to the death, severe accidental injury or serious illness of close relatives or business associates who are not travelling.

You'll be safeguarded against public transport delays of twelve hours or more, due to a strike, industrial dispute, weather conditions or mechanical breakdown and you'll have access to our 24-Hour Emergency Assistance Service if things go wrong. You'll also benefit from Extra Care, a free package that protects you against unexpected travel and accommodation expenses, motor breakdown, and pollution of beaches.

## Cover for your medical problems

Got medical problems? A Guest First policy will not cover them. But don't worry. There's no need to declare them—even if you take medication or are under the care of your Doctor. The important thing to remember is that medical conditions will not make your policy invalid and you are STILL COVERED for unexpected events that are unrelated to your medical condition(s).

But of course if you would like the extra peace of mind of having your conditions covered then please call us on **0845 90 80 101** and we'll discuss more suitable policy options. Other policies are available specifically for travellers with pre-existing medical conditions.

## Working out your premium

It's easy. Just add up the total cost of your holiday (including deposits and pre-booked expenses for the entire party) then use the table below to find the premium.
